OUR COUNTY AND ITS PEOPLE

A HISTORICAL AND MEMORIAL RECORD

OF

CRAWFORD COUNTY PENNSYLVANIA

BY

SAMUEL P. BATES, LL. D.

"They weakly err, who think there is no other use of government than correction. Governments, like clocks, go from the motion men give them, and as governments are made and moved by men, so by them are they ruined too. That, therefore, which makes a good constitution must keep it, men of wisdom and virtue, qualities that, because they descend not with worldly inheritances, must be carefully propagated by a virtuous education of youth, for which after ages will owe more to the care and prudence of founders and the successive magistracy than to their parents for their private patrimonies."
